

**“Gee Mom,
I don’t have a
sandwich appetite.”**

**I’ve got a
Manwich® appetite.”**

When your gang's hungry, no skinny little sandwich makes a hearty, satisfying meal like Manwich!

To make six zesty, filling Manwiches, simply brown a pound of fresh ground beef and add a can of Hunt's® Manwich sauce.

It's thick with tomatoes, sweet onions, crisp bell peppers, and a special blend of ten spices and seasonings. So when your gang has a Manwich appetite, remember...
